TERMS AND CONDITIONS:

___ I understand that I have the final say in the outcome of my dog's training. I understand that what happens at home matters. I am willing to follow through with the recommendations of my trainer to the best of my ability.

___ I understand in order for my dog's new good behaviors to become permanent, I must work my dog at least 10-15 minutes 2-3 times a day on the homework given by my trainer, and remain firm on my boundaries until the new good behaviors are solid. I understand this process will give me the very best results possible and make the most of my training program.

___ I understand that based on my dog's assessment, there are specific training tools recommended for optimum results. I agree to use these tools properly as I am instructed and read any literature provided. I have hired V1 K9 Training as professionals to determine which tools are needed to help me train my dog to my expectations.

___ I understand if my dog is aggressive and could potentially cause harm to another dog or person, I agree to use a muzzle during training as long as necessary. V1 K9 has successfully trained many aggressive dogs, however, there is no guarantee that aggression will disappear with training. It is my responsibility as my dog's owner to use a muzzle if necessary and keep my dog out of potentially problematic situations at all times.

___ I understand that V1 K9 Training is not liable for any altercations or injuries between your dog and other people or dogs that may be attending group classes or at any other time not associated with V1 K9 Training.

___ I understand that my account must be paid in full prior to the first day of training unless otherwise specified on the reverse side of this contract. I understand that once training begins there will be no refunds or cancellations of the contract. If your dog is rehomed or passes unexpectedly, your training is transferable to your dog's new owner or can be transferred to a dog of your choice in the future.

___ If I need to reschedule my training appointment, I agree to give 24 hours notice to my trainer. If I do not give any notice, and no-show my trainer, I understand there will be a \$50 charge to cover the time and resources wasted. We are very much humans dealing with humans and we understand that things come up. We only ask that you would communicate with us and we will be happy to accommodate and reschedule for you.

___ I understand that my contract will expire after 1 year from the start of training.

___ I hereby grant V1 K9 Training permission to record audio and video during training sessions. I grant ownership rights and irrevocable right and permission to use, copyright, publish, and/or promote the recorded video, photo, interview, and/or audio.

___ I agree that if I have an issue or problem arise, I will reach out to V1 K9 Training for help with a solution and understand they are here to help me.
